A screenshot of the Legislative Action Center website. At the top, there are four navigation tabs: "Home", "Elected Officials", "Issues &amp; Legislation", "Elections &amp; Candidates", and "Media Guide". Below the tabs is a section titled "Legislative Action Center" with an "ACTION ALERT!" banner. Underneath, there are five action items, each with a "Click Here" link: "Tell the Senate to Preserve Funding for Postsecondary Educators of Students with Disabilities!", "Tell Your Congressperson to Support IDEA Full Funding!", "Tell the Senate to Increase Funding for IDEA!", "Tell the Senate to Fund Grants to Students with Gifts and Talents!", and "Send a Letter to Congress on Teachers For Students With Gifts and Talents!". Below these are four search sections: "CONGRESS &amp; PRESIDENT", "ISSUES &amp; LEGISLATION", "ELECTION &amp; CANDIDATES", and "GUIDE TO THE MEDIA". Each search section includes a brief description, a search input field, and a "GO" button. Red arrows point from the explanatory text on the right to these various elements.
