

Executive Board Candidate Profile

Laura L. McCarty, JD, EdS, MEd

Education Consultant and Advocate

How will your participation on board help to advance DEC's Mission for inclusion and equity?

As a dedicated professional, I bring a wealth of experience to the board including experience as an ECSE educator, legal acumen, and strong communication. I will actively collaborate, advocate, and strategize to ensure that all voices are heard and represented. Together, we can continue to drive positive change.

Describe your connection to the DEC community and the children, families, and professionals we support.

I have served children, families, and professionals for over 14 years as an educator, administrator, and advocate. As a facilitator for the DEC Policy and Advocacy Community of Practice and a member of the Policy and Advocacy Committee, I contribute to creating equitable, inclusive environments where every child thrives.
