

Executive Board Candidate Profile

Natalie Hess, MA, MA, EdS

Delaware County Intermediate Unit (DCIU) Assistant
Director for Student Services

How will your participation on board help to advance DEC's Mission for inclusion and equity?

As Assistant Director of Student Services overseeing Early Intervention, my expertise and commitment to inclusion and equity make me an asset to the Executive Board. I will shape policies, advance DEC's Racial Equity Point of View, foster collaboration, and provide leadership to promote inclusion and equity within the DEC community.

Describe your connection to the DEC community and the children, families, and professionals we support.

As a Delaware County Intermediate Unit executive leader, I strongly connect to the Division of Early Childhood community. I directly serve over 3,000 students, their families, and professionals, ensuring their needs are met, fostering their growth, and advocating for their inclusion and success.
