

# DEC'S ENDS POLICIES

<b>Language</b>
DEC informs and engages professionals, policy makers and families so that young children (0-8) who have or are at risk for developmental delays and disabilities are able to fully participate in their communities.
DEC promotes research on and implementation of evidence-based practices that, when implemented by highly qualified professionals and families, enhance the development of young children (0-8) who have or are at risk for developmental delays and disabilities.
DEC is a community where those who support inclusion communicate, collaborate, and influence each other and build communities of support for young children (0-8) with or at risk for developmental delays and disabilities and their families.
DEC shares evidence-based practices and provides resources in multiple formats to inform professionals, families, and policy makers.
